GENERAL BUSINESS:

The President John Hubble explained to the delegates that from the 1st Narrandera only the members who are competing in the full season racing are entitled to send surplus birds if space is available in the Clubs allocated basket numbers. Non competing members cannot use the space.

Due to the poor attendance over the last three meetings and lack of interest shown from several Clubs a motion was moved by the Mt Druitt delegate and seconded by Seven Hills delegate that the Federation delegates meetings be held once a month and to be on the first Monday night of each month. Motion was carried.

Rooty Hill delegate queried the freight payment being in advance. It was explained that as most Clubs charge their freight upfront it saves time to bill the Clubs in bulk lots. Any Club having difficulty in paying can still pay on a weekly basis.

Oxley Park delegate queried the liberation phone line – The Secretary has contacted Telstra they found no problems with the line it may be due to overloading at the one time, however they will monitor it for any problems.
