GENERAL BUSINESS:

Voting on the lifting of the racing Suspension.

The Secretary John Jeffery advised the meeting:

1. Four Clubs failed to return their voting sheets. Bossley Park, Glenfield, Liverpool City and Putney.
2. Result of the voting was – 118 members voting in favour of lifting the suspension, 107 members voted against lifting the suspension.
3. 70 members indicated their willingness to compete with approximately 92 teams and 120 members indicate they do not intend to fly this season.
4. 2017 Racing suspension is now lifted.
5. The Chairperson Vince Pedavoli indicated that we were looking at least 150 members to make it viable in using the old unit however the new 56 basket trailer has now come on line with a capacity of carrying 1680 birds. Vince also stated the Brisbane poo is freely available for flyers to try if they so wish too, however another delegate replied that it is in short supply. The Management Committee will now make the necessary arrangements in organising these sprint races.
6. Hills District delegate had an issue with the voting result, feeling that it needed a 75% majority. It was pointed out that the vote to suspend racing was carried on a simple majority of the members who voted (151 – 145) therefore to lift the suspension it also would only need a simple majority on the members voting. Several other delegates spoke on this matter.
7. Ku Ring Gai delegate queried number of flyers per address. In these special sprint races it may be possible for members to race more than one team this will depend on which unit is used.
8. Marayong Quakers delegate advised their 2017 Squeaker Sale and Blind Auction race has been cancelled. Refunds will be forthcoming.
9. Punchbowl/Bankstown delegate advised their 2017 Squeaker Sale and Blind Auction race has been cancelled. Refunds will be forthcoming.

If you are interested in filling one of these vacant positions please attend the next general meeting.
2. The President Vince Pedavoli spoke on the Solicitors letter re: the Rooty Hill dispute and felt that the matter just keeps ongoing between the solicitors and as there is also a third party involved, felt the Federation does not have the funds to carry on further with this matter. There was some general discussion between the Management members on this matter.
3. The President Vince Pedavoli explained that the units in transit from Germany did suffer minor damage, some of the parts needed will be supplied by Gerald and air freighted over, the other damage will be covered by insurance.
