

AUCTION

STOCK BIRD SALE

Austin Zammit

Bloodlines:

Wards, Rene-Demans, Houben-Ceusters, Gaby Vandenabeele, Gilton Crosses, Smulder Crosses, Soontees, Janssen-Busscharts, Crane crosses.

For the last 30 years I have flown with both Bossley Park and Liverpool City Pigeon Clubs. I have always lived on the western side of my clubs and these birds have proven themselves across both short and long distances year after year. Fellow fliers have raced off these bloodlines from my stock and have had great success. When the races get tough you can rely on these birds to get the job done.
