Wyong. Nil

Davistown: New LED lights fitted to trailer.

Budgewoi: Asked if It is possible to have Race baskets on one side of truck and Surplus on the other. Although this would be advantageous in ensuring separate liberations of race and surplus birds there are a couple of considerations

- Both Budgewoi/ Wyong and Davistown would be entitled to refund of a basket each.
- Would be totally dependent on number of surplus sent to ensure truck remains Balanced.
- Will be a week by week consideration , dependent on race needs and number of surplus ordered . Federation Secretary to advise weekly where baskets are to be placed on truck and trailer(if Needed).

Hunter: Enquired regarding drinkers on truck as insufficient last week and they provided. Drinkers have been found and will be placed on truck from this week.
