

Troy Lloyd & Rebecca Bourke Sale of Birds

Due to moving Troy Lloyd & Rebecca Bourke are offering their birds for sale. All birds need to go as we will be moving where there is no pigeon racing. Over the last 16 years we have developed a very tightly bred family of pigeons that have won from 100km - 1000km. Birds will be \$20 each however if two people like a bird we can auction it off. There are approximately 100 birds to choose from and all birds will come with a pedigree.

We have won the Canberra Combine overall championship 3 times most years we finish in the top 4 in the Canberra Combine. We have also been North Canberra Club Champions from 2010-2020 -11 years consecutive club champions. In the last 11 years we have won the longest race flown 10 times most of these races from 1000km. Our loft was the only loft to ever win the NSW Section in the Hop the Water classic from Launceston Tasmania. We have bred countless Young Bird Derby Winners and many other prestige winners just to name a few.

Our pigeons will make a great cross for a good family or purchase a few more and continue our winning family. 90 % of our pigeons are bred from 3-4 generations of flown pigeons on every line of the pedigree. Our sale is on Sunday the 21st of November. If you are interested in coming down for the sale, please give Troy a call **0431544116** You won't be disappointed

Cheers Troy & Rebecca
