MM - As a result of the behaviour of Manny Byrne and Bruce King at the last club meeting I acting as President issued a warning notice to both members that behaviour would not be tolerated and should it occur again further action would be taken in accordance with the club's constitution and code of conduct.

One of the members who received that warning letter has objected to it.

I have called this meeting to give all members the opportunity of stating whether or not as Acting President I took the right action?

General discussion among members about whether or not MM took appropriate action.

BK – The action taken was not in accordance with the constitution and code of conduct. I did not swear, I did not yell, I did not act in a threatening manner. The President cannot do this on his own, the club's members must decide.

Further general discussion amongst members.

BK – I move the following motion;

The warning letters are withdrawn because the constitution was not followed.

Seconded by Paul Lanyon

For Motion – Tony Rogers, Paul Lanyon

Against Motion – Graham Ford, John Mette, Darcy Hoyer, Mario Magrin

Greg Pound abstained from voting, Manny Byrne and Bruce King not eligible to vote as they were recipients of warning notices subject of vote

Motion Defeated – Warning notices stand.

Meeting Closed: 7pm
