- It was discussed that if there would be a YB and OB Derby in the 2021 season?

# It was agreed that there would be a YB and OB Derby and that the Derby birds would be included in your 30 bird team per flyer at \$20 a team.

So if you send 1 bird or 30 it's \$20.

Young Bird Derby 1st Barringun.

Old Bird Derby Charleville.

- There was a discussion as to how to even out the transporting done by the clubs for the coming seasons.

# it was decided that each club with members which are transporting for the season select at least 2 races each club to transport. Maybe one long race and a short race, or two middle distance races.

Examples: Orange/ Bourke and barringun.

Gulgong/ Mullengudgery and Charleville etc. Moved Wellington Seconded Orange

- The Dubbo pigeon club and also Gulgong club have stated that they would like to join the MWPF inc in becoming members.

# Dubbo and Gulgong clubs intention to join the federation will be put up for discussion at the next meeting.

- Dubbo club informed the MWPF that the Dubbo rings for the 2021 season were actually 2021 year on the Rings due to them ordering late (After the 1<sup>st</sup> July 2020) and being only able to get the 2021 rings and if this would be and issue.

# It was decided that this would not be an issue and that the there 2021 rung pigeons would still go in the Derby races etc, it was also agreed that there next years rings if being the same year number would have to be another colour so as to not to get confused with the previous years two year old race birds.

- Next meeting to be Sunday the 27th June, 11am at Wellington.

Meeting Closed 1:50pm
