

## **Amendment to Constitution**

*I would like to propose that the following statement/policy be included in our constitution.*

*“The NCF fly a cycle spanning from the North Coast to the South Coast including variations between”*

- *No route to be contested for more than 2 consecutive years.*
- *There to be at least 4 routes in each cycle*
- *Each route to be distinctly different, i.e North, North West, etc.*
- *The Route can only be changed as a one off in the case of an emergency, such as bio security reasons, or an event that makes it physical impossible to travel the route. The cycle to resume after the above scenario and changed route is completed.*
- *The cycle must be completed before starting again.*

***Proposed Stan Rippon, Seconded by Bill Collins. The Chair called for a vote – All in favour – Passed***
