All Fed Delegates involved

The telephone linkup was not entirely successful. However we did get to each club delegate and discussed the proposal. That being that we abandon the 1st round and work towards conducting the 2nd round. (All delegates were in favor). The 2nd proposal was to work on the 2nd round schedule. Looking at Start date. Leave schedule as is. If not able to travel to Queensland we look at adopting a similar schedule as adopted in season 2012 when we flew through to Burrigan. (All delegates in Favor). And finally the executive look at lobbying government with a view of relaxing travel restrictions to allow us to toss our birds.... As the telephone linkup was not going to be an option for future meetings. We would like to use video linkup via the internet. The proposed App would be Zoom. We will need to do some work to get as many members as possible on this link. Stan can talk you through this process.

Tuesday 28th April 2020 8:43AM

.Since the last meeting Tony and Stan with some assistance from Richard Clements have corresponded with all of the local members covering the NCF footprint. There has been some positive signs and sympathetic responses that the ban on tossing will be lifted.

We will further information for next Tuesday's meeting.
