Meeting Date: 08/08/23

Meeting commenced: 7pm

The chair, Stan Rippon, welcomed members.

Stan explained the purpose of the meeting which is the Cardiff Produce Race to be held in conjunction with the Central Coast.

He then explained that had correct protocol been followed a decision regarding this race would have been made at the Teralba Delegates Meeting, 6/6/23.

The organizer of the NCF section said the reason for having the race on that particular weekend is because eligible fliers who do not have many birds may not fly other weekends but will fly the YBD. He also assured the meeting that the Central Coast only has approx 20 birds.

There was a concern about the basketting of the Central Coast pigeons because they would all be in a few baskets as opposed to NCF birds being mixed with NCF race teams. It was explained that Central Coast baskets will be from multiple fliers so one flier will not gain an advantage.

Mal Clement then moved that the Central Coast be allowed transport on the NCF truck for Mungindi, 26/08/23.

Seconded: T.Davis

Passed: Unanimously

A fee for transport of Central Coast birds is yet to be decided.

All fliers please note it is YBD weekend and only yearlings are allowed on the truck.

Stan also informed the meeting that the new Constitution has been approved. This means that in future there will be no more Delegates Meetings but instead there will be General Meetings. Any persons wanting items brought up please notify the Secretary 7 days prior to the meetings so that we will have an agenda for meetings.
