There was a general discussion as to the merits of each schedule in the end it was agreed that the schedule proposed by Tony Davis be accepted. The last 2 race point will be decided out of 4 proposed locations, being Tibooburra, Packsaddle, Fowlers Gap and White Cliffs once we check out the suitability to liberate and accommodation.

**(b) Breeders Plate Sales**

The Treasure advised that he feel that we should abandon auction sales due to the ongoing issue with Roto and PMV. He proposed that we should just sell rings that way we have a far better chance of minimising cross contamination of bird from different lofts. He suggested that the ring be sold for \$20.00 each, being the price of a buy back bird. The ring could also be doubled up as Blue and Gold banders. He also advised that we could also provide an incentive by offering a free ring for every 9 ring purchased.

The proposal was seconded by the Secretary.

The Chair advised that we need to write some rule associated with the ring sales and present them to the meeting. The Treasure advised that he undertake this task.
