Outward correspondence; NIL

Inward correspondence;

Letter from the Gambling Community Benefit Fund informing us that the grant for the unit on the back of the truck has been granted.

Treasurers report; Closing bank balance of \$39,350-22 as at end of May.

New membership application for Wayne Brown was tabled, to be dealt with at the next meeting.

General Business;

After much discussion it looks like, at this stage, that bird numbers will have to be reduced, by how much is not certain until the first payment is due and we have definite numbers. At this time other clubs are indicating that their membership is going to increase and so is ours.

There is a rumour circulating that Gympie is going to approach us to transport their birds next year at a higher rate than has been paid by

other clubs at this stage. There is speculation going around that we will drop one of the clubs that is already on the truck to accommodate Gympie. However the Management Committee have all agreed that they will be looking after the clubs already on the truck, no matter what.

For those who are tossing with the NRC, it needs to be noted that all those birds have to be vaccinated for PMV otherwise they are not permitted on the truck.

Meeting closed at 8.05 PM.

PLEASE DO NOT FORGET THE AUCTION WHICH WILL BE HELD ON SUNDAY 21ST JULY. PENNING AT 8.30, VIEWING FROM 9.30, AUCTION STARTS 11.00AM. THERE ARE ALSO 2 BIRDS FROM DENNIS MARTENS, AND 2 BIRDS FROM PAT MURPHY TO BE ADDED IN ON THE DAY.

CAN YOU ALL PLEASE TRY TO GET A COUPLE OF SPONSORS FOR THE SPONSORS RACE WHICH HAS NOW BEEN MOVED TO MIRIAMVALE ON 27TH JULY.

CLOCK OFF FOR THE SPONSORS RACE HAS BEEN CHANGED TO DECEPTION BAY BOWLS CLUB, NORMAL TIME.
