PVM in Sydney

Read correspondence from R.Marshall and DPI.

Discussed trail in Victoria.

Outcome of discussions –

SCF will start as per the schedule(19th May 2012), unless the DPI tell us to stop and vaccinate.

The committee recommends that members should wait until the results of the trail in Victoria are known before vaccinating. We have taken on board the advice of R.Marshall and will continue to keep the membership up to date as information becomes available.

Gwynneville Pigeon Club

Boundary to be accepted as Cabbage Tree Lane.

Reasons why- As Gwynneville have paper work dating back to 1977 showing Cabbage Tree Lane as their boundary and the SCF have no records of a boundary change we have no alternative but to accept their version.

In future no clubs are to change their boundaries without getting approval from the SCF inc first as per rule 4 of the SCF racing rules.

J.Henderson

Read recent emails from J.Henderson.

Outcome – letter to Jake

Federation cannot except Jake as a senior member unless you are in a partnership with a 18 year old plus person, and a full member of your club, Which is Towradgi Pigeon Club as you are in their boundary.

The SCF committee recommends that you fly in your club boundaries (as per rule 4 of the SCF rules) under your club rules.

Motion

A motion was tabled to help with future under 18 years old. This will be added to our race rules. As per rule 101 of the SCF Race Rules.

A person under the age of 18 years of age may not race as a senior flier unless in a partnership with a person over the age of 18 years of age.

Moved C.Bell
All in favour.

seconded P.Breeze
