

ANRPB

flying gallantly into the future

PRESS RELEASE

20 July 2018

To: The Management Committees of all Racing Pigeon Associations, Federations, Combine Entities, One-Loft Entities, Show Pigeon Associations and subscribers to the ANRPB Inc.

Re: Update 13 Rotavirus

Rotavirus Vaccine

Dr Mark White of Treidlia Biovet has this week provided the following update in response to questions posed;

Any progress on the vaccine?

“Its working a little better but not good enough.”

Have you been able to organise with Travis for Treidlia staff to visit his labs?

“Travis is back in Australia. He has sent us another copy of the recombinant E.coli to see if it works any better than the last one. We will work on that and then organise a trip to LTU.”

Any feedback from the APVMA?

“Nothing further yet.”

Regards,

Mark White BVSc PhD
Director
Tréidlia Biovet Pty Ltd

ANRPB

flying gallantly into the future

2

The ANRPB will continue to provide monthly updates until the rotavirus vaccine becomes available, and, in the meantime, continue to support Dr Mark White in any way possible.

Board Matters

The ANRPB is pleased to announce the appointment of Neil Machar as the new Victorian delegate. Neil brings a wealth of invaluable experience in pigeon administration and wise counsel to the Board.

With a view to progression planning ANRPB secretary David Walker has informed the Board that he does not wish to continue in the role beyond this year. The ANRPB are currently looking for a suitable person, with a national perspective, to take on this extremely important voluntary role. (note: all positions on the ANRPB are voluntary)

The Board is also currently reviewing the ANRPB Constitution with the view to clarifying ambiguities contained within the original Constitution.

Yours in Our Hobby and Sport; for and on behalf of the Australian National Racing Pigeon Board Inc.

Greg Kakoschke
Chair: ANRPB Inc
