## SCF Committee Meeting (6)

Held on Wednesday 22<sup>nd</sup> May 2024 at 7.00pm

Venue: Sapphire Room - Warilla Bowls and Recreation Club

## Meeting to discuss freight cost for 2024

**Record of Attendance:** Jason Matthews, Alan Zahra, Matt Nelson, Alec Krkovski, Luca Krkovski, Paul Barnes, Iris Elliott (minutes)

**Apologies:**

### Freight Fees

Unfortunately, we have had further members that have decided that they will not be racing this year or have dropped their original nominated numbers, so the cost of the freight needs to be adjusted accordingly.

It was agreed by all committee members that the freight for 2024 would be \$2 per pigeon.

### Surplus Birds for Dolphin Point

The committee have tried to keep the freight fees as low as they possibly can, having surplus birds will help cover some of the costs for the federation's expenses.

There will be enough room for all birds to be on the truck, so the committee would like to know if there are any members interested in putting surplus pigeons on the trailer from Dolphin Point rather than having a toss on Sunday.

- ✚ Having the surplus birds released on the race day rather than on a separate toss would allow us to save on the costs for the driver expenses.
- ✚ Surplus birds would only be on the trailer from the 3 Dolphin Point races.
- ✚ The surplus birds would be released 30mins after the race birds have been liberated.
- ✚ The cost per basket will be \$25.

## **Laptop for Race Secretary**

Matt Nelson has purchased and set up a new laptop from Officeworks for the race secretary.

The cost was \$833.

Thankyou Matt

## **Air Quality Gauge**

The air quality gauge was used on the first toss and all readings were good.

## **Graphics on truck**

Alec Krkovski is going to organize the graphics on the truck to be done.

Iris Elliott has asked Adam Southwell if Warilla Bowls and Recreation Club have a PDF for their logo.

Adam will look into this and get back to Iris.

## **Photos for website and Facebook**

Matt Nelson and Alan Zahra are going to add photos of the truck and pigeons at the race point to the SCF website and Facebook page.

Meeting finished at 8: 45pm.
