At this stage the SCF Committee will be not ordering Icom Rings as its life ring. Neil Cavill gave prices for Icom Rings and normal life rings as quoted by text from Kevin Clark BENZING. Paul Breeze and Stephen Saywell said we should take the cheaper life ring option against the Icom Ring option and Paul Breeze will order 10000 ordinary rings and 1000 IGBF rings from the cheapest source.
2. J Sheppard spoke about the 2015 SCF Committee proposed Race Schedule for 2016 being the only Race Schedule offered for consideration, so this Schedule was adopted with some minor changes. Discussion about early liberation times, S Saywell spoke about birds homing better mid- afternoon, S Saywell used Wayne Gallagher as an example wanting a later liberation due his Children's' sport, as another factor of Members being busy on Saturday mornings. Paul Breeze, David Miller, Brent Cavill and Neil Cavill spoke about early liberations giving the birds more time to home plus we have to monitor the CCF Liberation Times and weather conditions. S

Saywell stated that the SCF Members had bought rings on the assumption that liberation times would follow historical times and they could not be changed until 2017. SS also agreed that circumstances could affect liberation times and the pigeon welfare was a priority this year and any future years. **Moved AZ 2nd DM** Vote 5 for, 1 against, 1 abstaining. Race Schedule attached.
