

Wonthaggi SCF Grand Prix- 28th September 2024- 16 Flyers, 42 Birds

Jeff Sheppard- Towradgi Pigeon Club

SCF 23 4126 BB H- Winning Velocity: 1024. 492mpm

The South Coast Pigeon Federation on the weekend of the 28th of September, concluded the 2024 race season, liberating from Wonthaggi in Victoria, being an approximate distance of 670km to Wollongong. 3 races in total were liberated from Wonthaggi, being staggered 30 minutes apart. The winner of the Grand Prix race was Jeff Sheppard from the Towradgi Pigeon Club. This win would be Jeff's first race win of the 2024 season.

In saying this, Jeff has been crowned the SCF Overall Pointscore winner, SCF Long Pointscore Winner, SCF Combine Point Score Winner, as well as the Towradgi Pigeon Club Long Pointscore Winner, some amazing achievements to finish the year with.

Jeff's winning BBH was clocked late in the afternoon on the 1st day, flying a total of 11hrs to claim first prize, with Richard Whitehead in 2nd place and P & D Clarke finishing in 3rd, both clocking in early on the 2nd day. What's astonishing is, Jeff's BBH 4126 clocked in with a loft mate, SCF 23 4157 BBH, both flying together for a large part of their flight home.

Jeff indicated his BBH 4126 was a consistent race hen all year, with him putting \$10.00 pools down on her due to her consistency this year, with her 2 sisters being put into the National Race. BBH 4157 was Jeff's clock bird from 3rd Bermagui, whom also had a full sister which was clocked in 2nd Yarrum to take 2nd club, 3rd Fed, winning bloodlines are evident within this family of pigeons.
