

Charity Race 2009

Charity Race Committee meeting held at the Fraternity Club on the 17/4/09 at 7.30pm

Present were J.Sheppard, A.Kerr, P.Breeze, D.Monteleone, F.Raschilla, J.Raschilla, J.Monteleone

The Committee discussed the best and fairest concept to run this years Charity race.

- Hopefully i98 will once again be the major sponsor
- The winning sponsor to receive free advertising on i98 radio station
- The target will be \$10,000 and hopefully be matched once again by BHP
- The Race is to be flown from the 2nd Mallacoota and the charity will be Para Meadows
- Entry for the race will be \$30 which \$10 will go to the charity and \$20 will go to the prizemoney
- Nominate 3 birds clock 2 birds for the best average.(This would fair to all flyers during that time of the season)
- Due to the world financial crisis it was decided that \$100 business sponsors be found instead of the traditional \$200
- To reduce the burden of individuals finding the majority of the sponsors for everyone it was decided that each Club find enough sponsors to at least cover their own members. Then If certain Clubs find more than required for their own members, they then can give them to another Club who may be struggling to find enough.
- Participating Flyers would then be **Drawn** to a Sponsor prior to the Loft auction on the Friday
- The committee will come up with ideas on how to raise further money to achieve the \$10,000 target

eg Raffles, pigeon auction, signed sporting goods etc

Hope the Federation Committee will look at this proposal and be in favour and accept this concept. Any ideas or other feedback will be considered by the Charity committee.

Thanks

CR committee
