

BIRD LIMITS

The bird limit for any race conducted by the South-East Racing Pigeon Combine will be determined by

1. The number of competing fliers for that race season.
2. If confined overnight only for next day liberation the club's current transport will hold 24 pigeons per bay.
3. If confined for two or more days the club's current transport will hold 20 pigeons per bay

The bird limit for any racing participated in by the South-East Racing Pigeon Combine when the transporting federation or combine is not the South-East Racing Pigeon Combine will be whatever that transporting federation or combine determines
