

Email from David Walker, ANRPB - Secretary/Treasurer

All,

I am sending you the information as sent to pigeon race clubs around Australia today.

Thank you for signing up to the ANRPB - we appreciate your support.

regards

dcw

All,

For your information and use I attach the Implementation Plan information document and the National Code of Practice for the keeping of Race Pigeons in Australia.

Please provide this information to your membership and provide any feedback information to me at your convenience.

This document has had a long gestation period, but will provide a set of guidelines for race clubs in Australia.

The implementation plan is an important document - it sets out the basis and need for a national code, so please provide it with the national code of practice to members.

Thanks and regards

David Walker

ANRPB

Secretary/Treasurer
