Correspondence in: Letter from RB  
Letter from JF  
SMS from RB  
Westpac Statement

Correspondence out: Nil

Minutes from previous GM: Read by JF

Business arising from minutes: Moved TW 2<sup>nd</sup> GM that the minutes were incorrect.  
JF argued that what was presented was factual. After much discussion it was agreed by the majority, that the paragraph in question be removed.  
Moved CP 2<sup>nd</sup> OM that minutes be accepted

Letters read by Secretary and were dismissed as nobody was really interested in the facts.

### **General Business:**

- Price of Life Rings set at \$00.35 each
- Computer results maybe entered on 2<sup>nd</sup> day as needs be – all results are interim until Race Sec scrutinizes them and declares the results 'Official'.
- SCF Truck: Question was asked why we were on SCF truck from 2<sup>nd</sup> Manning Point rather than Coffs Harbour. JF informed the meeting that the SCF committee had offered the SPF to carry birds as there was room on their truck. This would make it considerably cheaper.
- Clubs are to inform secretary of how many baskets are required for Coffs Harbour and South Grafton. Baskets to be charged at \$40 each.
- Race Rules Moved TW 2<sup>nd</sup> GM that Race rule 5a be removed. Passed unopposed
- Question ask re Rule 14 in ETS rules – what are 'keys'? It was explained they are cards to operate the Benzing System.
- Results from SPF clubs re Central's proposal of changing race rule 1.was defeated 13 to 9 and therefore the SPF would follow the SCF next season.

- Discussion rose re Braye Park and Karuah being only 40km difference. Possibility of deleting one of these race points. All clubs are encouraged to present Race Schedule proposals for 2017 season.
- OM raised the need to schedule Corrimal races next year. Present proposals for 2017 as above.

Next Meeting: 12 September at the Nowra Poultry Pavilion 7.30 pm  
Meeting Closed: 9.00 pm
