

Camden Club COVID – 19 Racing Protocols for Basketing and Clock Ring Off

Camden Club will ensure that appropriate measures are in place to protect members as best as we can.

Members are to comply with all Government regulations covering social distancing and will abide by social distancing practice of 1.5 metres apart

- Hand sanitizer and hand soap will be made available at the club for members.
- Members will be responsible to wear the appropriate PPE when or if required
- Basketing times will be staggered to ensure no gatherings of members and is limited members are encouraged not to congregate at the Club after Basketing.
- A Designate member will operate the clocking system, and a designate member will handle all birds in the club room to be basketed, the club secretary will arrange the weekly fee collection and organising the paper work required.
- Members should remain in their vehicle until called to basket their birds they will be requested to hand the baskets over to the designated Basketing member to basket his birds. Once birds basketed the baskets and Clock will be returned to the flyer.
- Any Special Races such as 2 Birders Colour Bird and \$5 loft pool with any fed Special races should be text to the secretary Friday night. If not the flyer will not be able to participate in the event.
- When loading the baskets on the Truck a Club member will move them close to the truck and then baskets will be loaded by the member or the truck Driver only one person is to be in the rear of the truck at any time the driver will insure the baskets are secure. If required a club official is to check on the birds well being in the baskets on the truck.
- Ring off night we will be conducted without attending the club room, we asking members to take a photo of the screen of the clock with the bird details shown, and any special race birds (Bird details and time clocked)

The photo and any extra info such as returns and special race birds is to be texted or emailed to the club secretary and he will enter the details onto the Southern fed website for the results. Then at the next Basketing night the clocks will be evaluated and a printed copy will be given to the flyer and the secretary will keep and verify the details sent to him the previous ring off night. If any adjustment is to be made to the flyers clocking time the secretary will check with the flyer before making the adjustment on the website For example, a large Loss or Gain or a time variation which will change the position of the flyer.

This Notice will be on display at the club room and a copy sent to all members
